## Title: Duke Ellington

I will be making a 5-page site with a navigation bar stuck horizontally

- Page 1: Homepage/Overview
  - Provide an introduction to Duke Ellington, his music, and life.
- Page 2: Career
  - Provide a history of his career
  - Show music videos, songs, live performances
  - Provide a historical context to his development of the genre of jazz
- Page 3: Soundtrack
  - Highlight specific songs through Ellington's influence, stylistic choices, context, and meaning
  - For example, "Take the A Train" and "Caravan"
- Page 4: Legacy
  - Show awards and honors throughout and after his career
  - Provide examples of references to his work and influence
- Page 5: Sources
  - Lists sources from Wikipedia page, photography, and any other assets
